Mennonite Sale Grosses \$11,297.38

The 13th annual Mennonite Relief Sale held at the Moultrie-Douglas County Fairgrounds Saturday grossed \$11,297.38, making it the highest grossing sale ever held in Arthur.

Weather was perfect and they came from near and far and there was a good crowd at all times throughout the day.

A quilt brought \$330.00; a coffee cake, \$8.00; and a small hickory rocker, \$50.00. The homemade ice cream was gone about 1 p. m. and baked goods disappeared rapidly as buyers were eager to get the homemade goodies.

Pancakes and sausage went down with ease and the sandwich line had a steady stream of customers.

Walter Gingerich was chairman of this year's sale. Other committee members were Menna J. Herschberger, treasurer; Ervin E. Beachy, secretary; and Chris W. Yoder and Henry R. Mast.

All proceeds, after expenses are paid, will go to the Mennonite Central Committee, Akron, Pa.
