Quilt Information

Quilt Pick-Up

Purchased quilt items may be picked up at the cashier's desk.

Comforters

Usually made from heavy weight materials and put together by knotting or large stitches.

Quilt Storage

Quilts should not be stored in plastic, as the plastic does not allow them to breathe and they will yellow. Instead, use an old pillowcase or sheet.

Speed Quilting

Speed quilting differs from regular quilting in that small "x" stitches are made at the corners of each piece. This method is most commonly used when a quilt top is entirely pieced, not where large pieces of fabric have been left blank for quilting a design.

Quilt Top Descriptions

- Appliquéd:** Pieces of fabric are sewn onto the background fabric to form a design.
- Embroidered:** Quilt top's design is formed by embroidery.
- Pieced Patchwork:** Pieces of cut cloth are sewn together to form a design.
- Whole Cloth:** The quilting forms the design on a piece of fabric, usually a solid color.
- Pre-Printed Fabric:** A printed design on the background fabric, giving the appearance of being pieced or appliquéd. The printing is done at the fabric mill.
- Pre-Quilted Fabric:** Machine quilted at the mill.

About Mennonite Central Committee

How MCC Got Started

MCC held its first official meeting on September 27, 1920. On July 27th of that year thirteen church leaders met in Elkhart, Indiana to talk about how North American Mennonites could respond to the needs of hungry people in the former Soviet Union. MCC's name is a reflection of the different church groups coming together into one "central" committee.

MCC's Programs

MCC is involved in development work such as education, health and agriculture, peace and justice issues, relief work and job creation, among other things. MCC raises funds through relief sales like this one, a network of thrift shops (The Arthur MCC Thrift Shop opened in 2014), and programs such as My Coins Count where spare change collected by churches, children and families adds up to make a real difference around the world.

MCC's Mission Statement

- MCC seeks to demonstrate God's love by working among people suffering from poverty, conflict, oppression and natural disaster.
- MCC serves as a channel for interchange by building relationships that are mutually transformative.
- MCC strives for peace, justice and dignity of all people by sharing our experiences, resources and faith in Jesus Christ.

What the MCC Symbol Means

- the cross of Christ: motivation
- the dove of peace: action
- the circle: global service
